

OUR IMPACT 2022

ADVOCACY

Global media reach:
2,2 billion

2021 Winners update!

-  Extended their services from 21 to more than 50+ colonies in and around the National Capital Region.
-  Planted three urban mini-forests in New Delhi and reforested neglected parks.
-  Purchased two new Electric trucks for waste pickups to minimize the impact on the environment.
-  Conducted over 15+ educational training sessions regarding the environment for new colonies and children.

2022 ICPP winner:
Rena Kawasaki

2022:

10-year jubilee

Main finding: Not much progress regarding children's rights in the last 10 years, despite COVID-19 having a large impact.

Added focus for next 10 years:

Climate change

different countries

Partners we have worked with:

SHADOW GAME*

KidsRights supports the initiative of child psychologist Katerina Shutalova, and her organisation "Ukrainian Frontiers".

*In June 2022, Marc Dullaert and the boys from Shadow Game went to the European Parliament for the screening of the multi-award-winning documentary. They travelled the last kilometres to Brussels to reinforce the message that 'all children are children' and all children on the move deserve protection.

325

action programs initiated by changemakers, including EDUCATION (80+ projects), ENVIRONMENT (20+), HEALTH (40+), GENDER EQUALITY (15+), VIOLENCE & CHILD LABOR (25+).
